INVITATION FOR SEALED OFFERS
Supply, delivery and commissioning of road-maintenance equipment

Notice circulated on 20 October 2026. The Municipal Works Unit invites offers under procurement reference **ND-MW-2026-041**. This notice, the schedule on page 2 and the instructions below are to be read together.

Item / lot	Description and minimum scope	Quantity
Lot 01 / A	Vibratory road compactors, including operating manuals, initial training and delivery to the municipal depot.	02 units
Lot 01 / B	Consumables and standard service kit for the equipment above. This is included in the quoted lot price.	01 set

1. RECEIPT AND OPENING OF OFFERS

Completed offers must reach the receiving desk **no later than 14:00 hours on 10 November 2026** (Bangladesh local time, UTC+06:00). The public opening will take place at 14:30 hours on that same date. Documents received after the closing time will be returned unopened.

2. PARTICIPATION AND EXPERIENCE

Suppliers must hold current trade registration and tax clearance. A bidder shall demonstrate **not less than two (2) years** of experience supplying comparable road-maintenance machinery. Joint ventures are permitted, provided the lead member accepts responsibility for delivery and warranty support.

A manufacturer authorization letter is required. Each bidder shall also hold a valid **ISO 9001 certificate** at the date of submission. Copies should be attached in the technical envelope, not included in the price schedule.

See page 2 for security, delivery, financial conditions and the document checklist. The notice publication date is not the deadline for submitting offers.

SCHEDULE B - FINANCIAL AND DELIVERY CONDITIONS

Clause	Requirement	Notes / cross-reference
B.1	The indicative allocation for the entire lot is BDT 2,500,000.	This is an estimate, not a disclosed winning bid.
B.2	Enclose bid security of BDT 50,000, valid for 90 days after closing.	Bank instrument in a separate sealed envelope.
B.3	Complete delivery within 45 calendar days of the purchase order.	Delivery period starts on the order date, not the publication date.
B.4	Payment will be made within 30 days after acceptance of the delivered goods.	Acceptance follows inspection and commissioning.

3. TECHNICAL SUPPORT AND DOCUMENT CHECKLIST

Technical envelope

- Product specification sheets
- Manufacturer authorization
- Trade and tax documents
- Experience records
- ISO 9001 certificate

Commercial envelope

- Signed price schedule
- Bid security instrument
- Proposed delivery programme

The technical and commercial envelopes must be separately sealed.

4. INTERPRETATION OF SUBSEQUENT NOTICES

Any subsequently issued corrigendum must be read with this invitation. A corrigendum may replace a specific clause without reproducing the entire notice. Unless expressly changed, the other conditions continue to apply.

Administrative note: questions may be submitted before 03 November 2026. This enquiry date is separate from the offer closing date. No contact address in this fictional notice represents a real institution.
